I am requesting a waiver to the requirement that this document be filed electronically as we do not have a computer in our home.

I missed the mail carrier this morning. I know she has some mail that will not fit into my mail box. I will try again tomorrow.

My wife has the car to go to work. I may have to wait until Saturday and drive to the Diana Post Office to get the package. Problems such as this would not occur had our post office at Hacker Valley not been temporarily closed.

Please help us get a post office reopened in the Hacker Valley area.

I hope you will keep the appeal on the docket.

My husband and I both work. We are not available to take in packages. We shop a lot by mail. The hours at our nearby post offices, Rock Cave and Diana, are closed when we get off work and they have very short Saturday hours. Packages left out at our mail box are welcoming theft, pilfering, or damage from the weather.

Please establish a post office in the Hacker Valley Area. I am confident many of my neighbors share the same problems.
